**GOVERNMENT’S NINTH RESPONSE TO
THE STANDING DISCOVERY ORDER**

The United States files this Ninth Response to the Court’s Paperless Standing Discovery Order ([ECF No. 28]). This response outlines the discovery materials the United States has produced to defense counsel and complies with the Court’s Order Granting In Part the United States’ Initial Motion for Protective Order ([ECF No. 69]). On March 20, 2025, the United States deposited two external hard drives (provided by defense counsel) containing the discovery materials with Federal Express for delivery to defense counsel of record by March 21, 2025. Those materials include the items described in the attached index and are numbered Gov019843-Gov022049.¹

¹ Materials numbered Gov021980-Gov021994 consist of device extractions for those devices seized from O.R. that do not contain child sex abuse material (“CSAM”). Devices containing CSAM are available for review by the defense at the Federal Bureau of Investigation. Defense counsel may contact the undersigned Assistant United States Attorney to coordinate the review of those devices.

Please contact the undersigned Assistant United States Attorney if the materials are inaccessible.

Respectfully submitted,
